PORTFOLIO

asimaliraz.github.io

SUMMARY

Flutter Developer with over 2+ years of hands-on experience designing, developing, and maintaining cross-platform mobile applications. Proficient in Dart, Flutter, Firebase, and RESTful API integration, with a strong focus on building visually appealing, user-friendly interfaces and delivering published apps to the Play Store and App Store. Skilled in UI/UX design, state management, and agile collaboration, with a passion for continuous learning and delivering solutions that enhance user experience and meet business goals.

WORK EXPERIENCE

Flutter Developer — Maxcore Technologies

August 2023 – Present

- Develop and maintain cross-platform mobile applications using Flutter and Dart, with a strong focus on UI/UX design.
- Implement RESTful API integrations, state management, and Firebase backend services for production apps.
- Collaborate with cross-functional teams following agile development methodologies and best practices in version control (Git).

PROJECTS

CodRuk: Developed a car oil-change booking service application using Flutter, including complete UI design and full API integration. Successfully deployed the app on both the Google Play Store and Apple App Store.

PAPYRUS: Built the UI and integrated APIs for a digital inspection reporting platform used in construction and QA/QC environments, enabling paperless, real-time inspection workflows with e-signatures and multi-level approvals. Deployed the application on the Google Play Store.

Talentango: Designed the complete UI and implemented API integrations for the application, ensuring smooth functionality and a polished user experience, and published it on the Google Play Store.

TIK PROMPT: Designed and developed the complete application including UI/UX design and full API integration, ensuring smooth functionality and a user-friendly experience.

SKILLS

- Programming Languages: Dart
- Frameworks & Tools: Flutter, Firebase, RESTful APIs, SQLite, Git, UI/UX Design, State Management
- Soft Skills: Problem-solving, Teamwork, Communication, Time Management

EDUCATION

BS in Computer Science — Emerson University, Multan
